PRESENT VS FUTURE

This worksheet I have created will hopefully help you differentiate between the present tense and the future tense and consolidate your knowledge in case you still have any doubts.

PRESENTE. Match the Spanish with the English:

Voy a la bolera = h)	b) I go to the shopping centre
Voy al parque =	c) I go to the hospital
Voy al supermercado =	d) I go to the swimming pool
Voy al centro comercial =	e) I go to the club
Voy a la discoteca =	f) I go to the park
Voy al museo =	g) I go to the supermarket
Voy a la tienda =	h) I go to the bowling alley
Voy al hospital =	i) I go to the museum
Voy a la piscina =	j) I go to the shop

FUTURO. Voy a + infinitive (ir, hacer, mandar, jugar, ver, etc)

I'm going to + infinitive (to go, to do, to send, to play, to watch, etc)

I'm going to go to the cinema = Voy a ir al cine (to go = ir ≠ voy = I go)

I'm going to send text messages = (to send = mandar ≠ mando = I send)

I'm going to watch tv = (to watch = ver ≠ veo = I watch)

I'm going to go out = (to go out = salir ≠ salgo = I go out)

I'm going to do horse riding = (to do = hacer ≠ hago = I do)

PRESENTE + FUTURO. Translate:

I go to the cinema because I'm going to watch a film = Voy al cine porque voy a ver una pelicula.
You go to the park because you are going to play football =

He/she goes to the shopping centre because he/she is going to go shopping =

We go to the club because we´re going to dance =

You guys go to the beach because you are going to sunbathe =
(sunbathe = tomar el sol)
They go to to the bowling alley because they are going to go bowling (to go bowling = jugar a los bolos)
