Unit 6: FUTURE JOBS

Exercise 1: Hãy đọc đoạn văn và chọn một câu trả lời đúng nhất cho mỗi câu hỏi theo sau:

When you first apply for a job, you might not succeed in getting it. It's always a good idea to ask them to explain to you what prevented you from beating the other candidates. Don't complain about the situation, but ask them to advise you on what you can do better next time. Perhaps the interviewer disproved of or disagreed with something you said. Perhaps they just glance at your application and saw something that made it easy to choose between you and another candidate. Don't regard it as a failure, but recognize it as chance to learn more. As long as you don't worry too much about it and continue to believe in yourself, you'll eventually find the chance you've been waiting for. Then your family and friends will be able to congratulate you on your success!
