MY DAILY ROUTINE

My name's Julia, and I am 27 years old. I live in London but I'm German. I live with my husband and we are very happy. I work in a bank and I love my job.

From Monday to Friday, my day starts very early. I always get up at 6:30 a.m. and I have a 20-minute shower. Then, I get dressed and comb my hair. At 07:00 a.m., I have coffee and cereal for breakfast. After that, I put on my make up and go to work. At 10:00 a.m., I sometimes have a snack and at 12:00, I usually have lunch at the office with my colleagues. They are wonderful people who have a good sense of humor, and they are good friends too. At 3:30 p.m., I have a snack again. I also have some tea and biscuits.

On Monday, Tuesday and Wednesday, I go to the gym after work. When I get home, I have a shower again. I prepare dinner and I watch TV for a while. I like to go to bed as soon as possible, around 9:30 p.m. Thursday is different because I don't go to the gym. I go out with my husband every Thursday. We sometimes go to the cinema or we go out for dinner and have a drink.

My husband's name is Daniel, he is 31 years old, and he's a doctor. He likes cooking but he doesn't like cleaning the house so we share the housework. His family is from Spain. He has two brothers and no sisters. We have been a couple for six years. And we have been married for two years.

On Friday night I always go out with my friends. We sometimes go to a bar and sometimes we meet at a friend's house but I can't be home late because I have to get up early on Saturday to clean the house. At the weekend, I always visit my parents and I often visit my grandparents, too.
