An urban legend

LIVEWORKSHEETS

TOPIC	**An urban legend** Urban legends are usually scary tales, sometimes with supernatural information and characters, like ghosts or demons. The origin is generally a true story to which terrifying facts have been added.
DEVELOMENT	• Narrative. • Locate the story, describe the characters. • Give a good introduction so that the audience understands its development. • Chronological order is essential.
OTHERS	• This presentation can be done individually or in pairs. • It will add a maximum of 0.5 in your 2nd term final mark, or a maximum of 0.2 if you are recording your presentation. • In your ppt/canva/prezi,… (if needed), there must be no full sentences, only pictures and very concrete information, such as quantities, years, key words. Use a **pen-drive** (or the Clevershare program). • A video can be projected if necessary: only in English and a maximum of 2 minutes. • In case you are interested send an email to tsellares@lasalle.cat before **10 December** with the following information: ▪ Names of the members doing such presentation ▪ What is the title of your urban legend ▪ The date of your choice. It must be **from 10 to 31 January.**
