Interpersonal skills are very important for \_\_\_\_\_ everyday life, especially if \_\_\_\_\_ generally work in teams or \_\_\_\_\_ have to share \_\_\_\_\_ knowledge or ideas with someone else.

In the video about the riddle of the boxes, one of the participants shared \_\_\_\_\_ idea with the rest and \_\_\_\_\_ worked as a group to find a solution. Thanks to that, \_\_\_\_\_ jobs were given back to \_\_\_\_\_ again.

Similarly, most of \_\_\_\_\_ work in places where good communication is key. Consequently, developing these skills will benefit \_\_\_\_\_ apart from \_\_\_\_\_ relationship with others.
