Mongolia is a country in the south east of Asia. Ulán Batur is the capital city.

The flag has got three vertical stripes. The stripes on the left are red and the stripe in the middle is blue. On the left stripe it has got a drawing “Soyombo”. The Soyombo is yellow.

Danxia de Zhangye is a beautiful landscape. The mountains are very colourful. They are blue, yellow, orange, red, green, white and purple. They are rainbow mountains. Saizan memorial is a landmark. It is amazing.
