KD. 3.2: Job Application Letter

Text 3: for questions number 10-16

Email Subject: Eric Tala, Marketing Associate Position

Dear Ms. Castañeda,

I would like to express my interest in applying for the position of Marketing Associate as was recently made available in your company.

I believe that my degree in Business Administration (BSBA) major in Marketing from the Philippine School of Business Administration (PSBA) has prepared me for this position. As a student, I was equipped with the necessary knowledge and skills to help develop and drive effective marketing strategies.

During my internship at Unilever Philippines' Marketing Department, I learned how companies determine what product or service to sell, how to reach target demographics and how to respond to the demands of competitors. More importantly, I had the opportunity to work with seasoned professionals who taught me how to easily grasp complex marketing concepts and at certain times, how to roll with the punches in order to achieve various objectives.

I have also acquainted myself with a wide range of skills that allow me to blend with the group or team's culture and to continuously strive to reach common goals amidst failures and setbacks.

My active involvement in many academic and extracurricular activities has done so well in developing my communication and leadership skills, which are vital in finding success in the corporate world.

With this application letter, I attach herewith my resume for your full consideration.

Yours sincerely,

Alvin C. Marfal

Four killed in California backyard shooting: police

Four people were shot dead and six others wounded while watching a football game in the backyard of a central California home on Sunday, police said. Police were called to the scene after at least one person opened fire into a crowd of about 35 people gathered outside the house in Fresno, around 200 miles (320 kilometers) north of Los Angeles

"Three people died on scene," Fresno deputy police chief Michael Reed told reporters, adding that a fourth was rushed to hospital in critical condition and died due to his injuries there.

All four of the dead and the six treated for "non-life-threatening" gunshot wounds were men aged between 25 and 35, Reed said.

"Our heart goes out to the families of the victims... this is senseless violence, he added.

"We are doing everything we can to bring the perpetrators to justice."

Reed said it was unclear how many perpetrators had been involved in the shooting and that there was "no indication" the incident was gang-related.

Police spokesman Bill Dooley said officers were looking for surveillance footage and witnesses to track the suspects.

Choua Vang, who lives near the site of the attack, said that Sunday's incident was the second shooting in the area in as many weeks.

"It makes me feel unsafe to be outside when the sun's down," he told the Fresno Bee newspaper.

Text for questions 42-50

During warm weather or rainy seasons, many people discover ants entering their houses and garden areas.

House-invading ants can get into your food, damage property or cause stinging bites. These tiny creatures can also cause damage to your plants.

Dealing with ants can be very frustrating. Pesticides for ants contain chemicals that are **harmful** to humans and the environment, but there are some natural, non-toxic ways to control ants. These may take some time and patience, but will provide good results.

White vinegar will send an eviction notice to ants on your premises. They cannot bear **its** strong smell. In addition, the smell masks their **scent** trails, making them lose their direction.

1. Mix equal parts of white vinegar and water.
2. Pour the solution into a spray bottle.
3. Add a few drops of any essential oil and shake the bottle thoroughly.
4. Spray this solution around baseboards and other entry points.
5. After an hour, wipe up the ants using a damp paper towel and discard them.
6. Repeat once daily until the ants are completely gone.

You can also use this vinegar solution to clean floors, windowsills and countertops to prevent ants from crawling over these surfaces.
