

To love you more -By Celine Dion

Work bank

Need me

See me

Remember

Walks away

Needs to know

Don't go

Touch me

For you

Take me

Let me be

_____ back in the arms I love

_____ like you did before

_____ once again

And _____ when

There was no one that you wanted more

_____ you know you'll break my heart

She won't love you like I will

I'm the one who'll stay

When she _____

And you know I'll be standing here still

I'll be waiting _____

Here inside my heart

I'm the one who wants to love you more

You will see I can give you

Everything you need

_____ the one to love you more

_____ as if you never knew

_____ so you can't let go

Just believe in me

I will make you see

All the things that your heart _____

I'll be waiting....

Some way all the love that we had can be saved

Whatever it takes we'll find a way

Believe me (believe me), I will make you see

All the things that your heart needs to know
