

Must-have to- mustn't- don't have to

		
MUST - OBLIGATION You must stop when the traffic light is red.	MUST NOT – MUSTN'T PROHIBITION You must not use your cell phone in the library.	DON'T HAVE TO NO NECESSITY I don't have to clean the house, I have a maid.

Fill in the gaps with must, have to, mustn't or don't have to.
