Loy Krathong Festival

Loy Krathong is one of the most popular festivals in Thailand. It is in November on the night of the full moon. It is celebrated to give thanks to the Goddess of Water.

The Krathongs are made of banana leaves in many shapes. We put flowers, candles, joss sticks and coins on the Krathongs. Then we float the Krathongs on the river or the canals for forgiveness for the bad things that we have done to them. We also give thanks to the water because we use it for our living. We believe that the Krathongs will take our sins away.
