

THANK YOU

We can stay safe at home to avoid an infection of COVID-19. We can watch TV, read books, play...

But many people have to work a lot of hours to fight against the virus. Without them, we wouldn't stay safe. **THEY ARE HEROES**, and we want to say **THANK YOU FOR PROTECTING US**.

Now, match the pictures with the correct job:

**FIREFIGHTER - CASHIER - CLEANER - POLICE OFFICER - LORRY DRIVER -
BUS DRIVER - DOCTORS AND NURSES - AMBULANCE DRIVER**
