# TRUE OR FALSE

Choose true or false according to the reading.

True      False

Ecuador's All Souls Day is a traditional holiday that is celebrated on November 2nd.

 

Families get together at cemeteries to spend time with their beloved ones who passed away.

 

People bring two culinary traditions: guaguas de pan and quaker.

 

The tradition says that dead people eat the food at noon, when no one is at the cemetery.
