IV. Read the text and choose the correct answer

Wolfgang Amadeus Mozart is a famous Austrian composer. He was born on January 27th 1756 in Salzburg, Austria. His father Leopold was a successful composer and violinist. Mozart had one sister, Maria Anna. Leopold started teaching his children music at a very early age. They were both very good at it. When he was 3 years old he learned to play the piano. At the age of 4 he learned to play the violin and a year later the organ and started to compose music. His father took his son to many European cities and they gave the concerts in Germany, France, England and Switzerland. The audience was astonished by these performances and people were amazed at Mozart's genius. By the age of 19 he became the author of many songs, sonatas, serenades, symphonies and of 10 major musical works. Mozart could not imagine his life without music. Wolfgang Amadeus Mozart died on December 5th, 1791 at the age of 35. At the time of his death, he was considered one of the greatest composers of all time.
