PART 3. READING.

1. Read the text and choose the correct answer.

KIDS' ZONE WEMBLEY

Everyone who lives in London or visits it loves going to Wembley Stadium. You can watch some great football matches there or see famous artists perform live. But there's another reason why Wembley is a great place, especially for young children and parents.

Did you know you can celebrate your birthday there? All you need to do is book your party online, by phone or in person. It costs £130 and it includes:

- 90 minutes of games with a football
- delicious food and drinks
- special invitations
- a gift for the birthday child
- a birthday card and photographs

You can pay a little extra for a personal coach, a birthday cake, party bags and prizes for all the children. For big football fans, there's a tour party package where children walk around the stadium for 30 minutes and see the changing rooms and other parts of Wembley.

The parties at Wembley Stadium are great for boys and girls who love football. Parents will also enjoy celebrating their children's parties there because everything is organised for them. No cooking and no cleaning after the party! And don't worry about space. You can invite as many children as you want!

2. True (T) or false (F)?

Fred Raymond talks to Melissa Jones at Wales Street Dance (WSD), a dancing school in Pembroke, Wales. Melissa is a teacher there, so let's see what she says about dancing and teaching.

FRED Thank you for talking to *We Dance* magazine, Melissa. Tell us about what you do at WSD.

MELISSA Thank you, Fred. I teach children aged 12 or younger to dance to different types of music, such as street dancing, hip-hop, pop and jazz. I'm the headteacher at the school, but there are three more teachers who help me. I really love doing my job.

FRED What do you enjoy about it most?

MELISSA With this job, I can dance every day and learn about new artists and types of music. When I was younger, I danced in my free time, but now I can do it at work, too. But what I really love is working with children. They're fun and very creative.

For more information on WSD, call 07876 720 21 or visit their website.

FRED You teach very young children, aged two years old. Do you like that?

MELISSA I'm very interested in these groups. Dancing can help children when they're growing. We've got 'stretch classes' and 'baby moves' and parents are very happy with them. Their children are stronger and healthier because of what we do here at WSD.

FRED Great! And what do you enjoy doing in your free time, Melissa?

MELISSA My brother plays the drums in a band and I like going to his concerts at the weekends. But I'm usually busy, so I don't go very often. When I'm on holiday, I like travelling around Wales. It's a beautiful place.
