Listen and then fill in the blanks

I Wish You Here...
Me, oh, my country ,
Wish You Were Here...
I Wish You Were Here...

Don't you know, the is getting colder,
And I miss like hell,
And I'm feeling ...

I've got feelings for you,
Do you still the same?
From the first time I laid my eyes on you,

I felt joy of living,
I saw heaven in your ...
In your ...
Wish you were here...

I miss your laugh, I miss your ,
I miss about you...
Every second's like a ,
Every minute's like a day
When you're far ...

The snow is getting colder, baby,
I Wish You Were Here...

A battlefield of and fear,
And I Wish You Were Here...
I've got feelings for you,
From the first time I laid my eyes on you...
