So this is what you meant (1)_____ you said that you were spent?

And now it's time to build from the bottom of the pit

Right to the top, don't hold back

Packing my bags and (2)_____ the academy a rain-check

I don't ever want to let you down

I don't ever want to (3)_____ this town

'Cause after all

This city never (4)_____ at night

[CHORUS]

It's time to (5)_____, isn't it?

I get a little bit bigger, but then I'll (6)_____

I'm just the (7)_____ as I was

Now, don't you (8)_____ that I'm never changing who I am?

So this is (9)_____ you fell, and I am left to sell?

The path to heaven runs through miles of clouded hell

Right to the top, don't (10)_____

KEYS:

So this is what you meant **when** you said that you were spent?
And now it's time to build from the bottom of the pit
Right to the top, don't hold back
Packing my bags and **giving** the academy a rain-check

I don't ever want to let you down
I don't ever want to **leave** this town
'Cause after all
This city never **sleeps** at night

[CHORUS]

It's time to **begin**, isn't it?
I get a little bit bigger, but then I'll **admit**
I'm just the **same** as I was
Now, don't you **understand** that I'm never changing who I am?

So this is **where** you fell, and I am left to sell?
The path to heaven runs through miles of clouded hell
Right to the top, don't **look back**
Turning to rags and giving the commodities a rain-check

I don't ever want to let you **down**
I don't ever want to leave this town
'Cause after all
This city never sleeps at night

[CHORUS] x2

This road never looked so **lonely**
This house doesn't burn down **slowly**
To ashes
To ashes

[CHORUS] x2
