

**PRACTICA DE INECUACIONES**

- Completa las casillas

- Une cada inecuación con su resultado y su conjunto solución

$x - 6 > 18$

$x \geq 20$

$C.S. = \{22, 21, 20, \dots, 0\}$

$x + 6 \geq 26$

$x > 24$

$C.S. = \{7, 6, 5, \dots, 0\}$

$x + 24 < 32$

$x \leq 22$

$C.S. = \{20, 21, 22, \dots\}$

$x - 7 \leq 15$

$x < 8$

$C.S. = \{25, 26, 27, \dots, \infty\}$
