

This is Edimburgh Castle. It's a famous medieval castle on top of a high rock. Mary, Queen of Scots lived here many years ago. I visited Edimburgh castle with some Friends last weekend. When you're at the castle, there's an amazing view over the city.

Edimburgh Zoo is the most famous zoo in Scotland. There are more tan 1.000 different animals. It is also the only zoo in the UK with koalas and giant pandas. Edinburch Zoo has got beautiful gardens. I love it! It's really cool!

MY PHOTO WALL

The main shopping street in Edimburgh is Princess Street. It's a very long street with many clothes shops. I shopped there with my mum and dad last Saturday. It was quite boring but I enjoyed taking photos! Afterwards, we walked to Princess Street Gardens and played ball on the Grass. It was good fun.

A brilliant place to visit in Edimburgh is the Royal Yatch Britannia. This was the boat of the British Royal family for 40 years. These days the boat is an interesting museum. You can visit the royal bedrooms, living romos and kitchens. You can also see an old Rolls-Royce car in the garaje! It's fantastic!
