

Teacher's comments

- A. I can use it to test the meaning of vocabulary in an enjoyable way.
- B. It's really useful because there's no focus on problem sounds in my coursebook.
- C. I can go round and monitor my student's accuracy while they have a lot of fun.
- D. My students can choose books that are easier or more difficult for them
- E. It helps my young learners get used to the rhythm of the language
- F. My students can choose their own exercises and check their answers
- G. It helps my visual learners when we're learning new vocabulary
- H. It's full of ideas for discussions
