

TE PRESENTO UN DESAFÍO:

RECUERDAS LO TRABAJADO SOBRE LOS SERES VIVOS: CICLO DE VIDA, CARACTERÍSTICAS, ETC.

TE INVITO A QUE REALICES EL SIGUIENTE EJERCICIO EN DONDE DEBES ARRASTRAR PARA LA COLUMNA DE **COLOR ROJO** LO QUE CONSIDERAS SON **SERES VIVOS** Y PARA LA COLUMNA DE **COLOR AZUL** LO QUE CONSIDERAS QUE **NO TIENE VIDA**.

ADELANTE!!

The activity consists of two columns of three empty rectangular boxes each. At the top of the left column is a red circle, and at the top of the right column is a blue circle. In the center of the page are several items: a starfish, a wooden table, a cow, a sunflower, a red car, and a soccer ball. The goal is to drag these items into the appropriate column based on whether they are living beings (red) or non-living objects (blue).
