READING

One afternoon, April was walking home from school. She saw a big cat and a small kitten fighting in a drain. The poor kitten was meowing pitifully and it looked helpless.

April took pity on the kitten and chased away the cat. She carried the kitten out from the drain. Its paws were bleeding badly. April took out her handkerchief and wiped away the blood. The kitten must have been hungry as she could hear its stomach rumbling. April bought a tiny packet of cat food and fed the kitten.

April looked at her watch. It was time for her to go home. However, she was afraid that the cat would attack the kitten again. She decided to bring the kitten home.
