PUBLIC PLACES

ACTIVITY 1

Answer the questions based on the text.

In my neighborhood, there are many places to go. If I am hungry, I can go to a restaurant near my house. The best restaurant in my town is ***between*** the hospital and the traditional market. There is a big shopping mall in my neighborhood. There is a post office ***beside*** the shopping mall where I can send a package to my grandfather. There is a bakery around my house where mom buys me bread for breakfast. If I want to read a book, I can go to a library. There is a library ***in front of*** the bakery. At the weekend, I usually go to watch a movie with my friends. There is a cinema on Urip Sumoharjo street. There is an internet café ***behind*** the cinema. It is my favorite place. I go there to surf the internet or play computer games.

1. What is the appropriate title for the text?
2. Write down the meaning of between, besides, in front of, and behind in Bahasa Indonesia.

3. Mention some of public places in the paragraph.
