

# will and won't

## match

I want to go ice skating,

My auntie loves reading,

In July we will go to London.

On Saturday we will go to the cinema,

My dad will go to the market next Monday,

Mary doesn't like bowling,

I know you will go shopping with Peter tomorrow,

I won't go to the airport,

but I don't like that shopping centre, so I won't go with you. Sorry!

We will stay at Hotel Catalina.

we need some apples and vegetables.

because there is a new film we want to watch.

so I will go to an ice rink.

she will go to the library tomorrow.

So she won't go to the bowling alley on Sunday.

I hate flying!
