Activity 2 (Group 3.)

1. Rearrange the pictures and the sentences below based on generic structure of procedure text and then write into the worksheet. Discuss the process with your group!

Next, put your ingredients inside.

Once you blend, open it up and pour it out. If you're done that is.

Then, close the lid and hold the cover tightly.

First, make sure the blender is plugged in, clean and in working condition.

After that, choose an appropriate speed setting depending on what you are blending.

Finally, make sure the blender is unplugged and wash the blender.
