

Frazioni

1 Scrivi il valore di ogni unità frazionaria, come negli esempi.

2 Scrivi accanto a ogni figura la frazione che corrisponde alla parte colorata.

3 ~~Colora la parte indicata dalla frazione.~~

Metti una X per la parte indicata dalla frazione.

4 Scrivi la frazione corrispondente alla parte colorata e individua le **frazioni equivalenti**: aiutati con le dimensioni delle parti colorate.

Sono equivalenti le frazioni:

— e — — e —

3 Osserva e rispondi.
