

## Read the letters

Hi John,

Thank you for your letter. I'm sending you some new stickers for your collection. The stickers are from the Quest unit 'Focus on Free Time'.

There are ten stickers of different free-time activities, for example, play table tennis, play the drums, do exercise, collect stickers and collect stamps.

I like collecting stickers. Where do you buy your stickers? What do I need to collect stickers?

Bye,

Lucy

Hi Lucy,

Thank you for your letter and stickers. They are fantastic! My favourite sticker is 'play the drums'. To collect stickers you need a big album. I've got three albums with 200 stickers in each one! I exchange my stickers with friends, and I buy stickers from the shops.

Good luck with your new hobby.

Bye,

John
