

READING COMPREHENSION ACTIVITY - ELEMENTARY LEVEL

Read a girl's presentation about using colours to organize homework and do the activities.

My presentation is about how you can use colour coding to organise your homework.

To start you need a few things from the stationery shop. This photo shows the things I use. They aren't expensive. They are all cheap. I've got coloured pens and pencils, sticky notes, page markers, glue and folders.

First, I choose a different colour for each school subject. The colour I choose has to be easy to remember so I make sure it means something to me. Maths is green because my ruler is green. PE is yellow because my trainers are yellow.

Here is a photo of my folders. I use the cheapest kind and I add a coloured sticky note to the top and to the front. I keep all my notes inside the different folders.

This is a photo of some more sticky notes. I wrote them in the library when I was studying. The blue notes are for history. My history teacher has got a blue car! The black notes are for geography. One day I want to visit the Black Sea.

This photo shows the pages I need to read for homework. I use two coloured page markers to mark where it starts and ends. Those blue ones mark the pages I need to read for history.

Finally, this last photo shows my wall calendar. This green star shows I have a maths test on Friday. This pink circle shows I've got French homework for Monday. It's pink because 'pink' is 'rose' in French ... and the rose is my favourite flower.

1) Read the sentences. Are they True or False?

You need to buy some stationery to organise your homework like this.	True	False
The things you need are not cheap.	True	False
The colour you choose should mean something to you.	True	False
PE is yellow because she doesn't like yellow.	True	False
She keeps all her notes in the same folder.	True	False
She uses red for geography notes.	True	False
She uses coloured page markers to mark pages she has to read.	True	False
When she thinks of French, she thinks of her favourite animal.	True	False

2) Match the subjects with the colours and write a-e next to the numbers 1-5

1..... green	a. French
2..... yellow	b. geography
3..... blue	c. PE
4..... black	d. history
5..... pink	e. maths
