Business law 1: Key adjectives

Alıştırma 1: Bu cümlelere bakın ve koyu yazılan kelimenin cümle bağlamında doğru kullanılıp kullanılmadığına karar verin (cümlenin sonunda parantez içinde kullanılması gereken kelimenin açıklaması var). Kelimenin yanlış olduğunu düşünüyorsanız, doğru kelimeyi arayın. Bunu diğer cümlelerden birinde bulacaksınız.

1. When pieces of broken glass were found in some of its food products, the company was held **eligible**. (*responsible for what had happened*) Doğru Yanlış

2. When he was asked to explain his actions, he had no **valid** explanations. (*being acceptable because it is true or relevant*) Doğru Yanlış

3. The sacked workers claimed unfair dismissal, and demanded a fair and **intangible** hearing. (*not biased or prejudiced*) Doğru Yanlış

4. Goodwill is one of a company's **admissible** assets, and as such it cannot be declared as part of the company's capital. (*difficult to value as it does not exist physically*)
Doğru Yanlış

5. He was accused of trying to obtain a **fiduciary** advantage by getting involved in insider dealing. (*financial*) Doğru Yanlış

6. At the trial, the judge took the **unprecedented** step of asking the claimant to remove his shirt. (*not having happened before*) Doğru Yanlış

7. The company solicitor examined the contract very carefully, and eventually declared it **irreconcilable**. (not having any legal effect) Doğru Yanlış

8. The documents produced were not considered relevant to the case and were therefore not **unanimous**. (*referring to evidence which a court will allow to be used*)
Doğru Yanlış

9. The magazine was acquitted of libel when the jury returned a **gross** verdict of 'not guilty'. (*where everyone votes in the same way*) Doğru Yanlış

10. All shareholders are **accountable** to vote at the Annual General Meeting. (*able or allowed to do something*) Doğru Yanlış

11. The judge accepted that Mr Johnson could not go back to work in the same company because of **void** differences of opinion between him and the Directors. (*very strong, so that it is not possible for two sides to reach an agreement*) Doğru Yanlış

12. The rail company was accused of **impartial** negligence by failing to ensure passengers' safety. (*serious*) Doğru Yanlış

13. Interest charges are tax **deductible** so we haven't made as much as we had hoped. (*able to be removed*) Doğru Yanlış

14. After a terrible year, during which it lost almost £8 million, the company was declared **insolvent**. (*not able to pay debts*) Doğru Yanlış

15. A company director has a **pecuniary** duty to the company he works for and the people who work there. (*acting as trustee for someone else, or being in a position of trust*)
Doğru Yanlış
