Can you (5) notes quickly, and can you understand them (6) ? For some reason, many schools give learners no help with these matters. Teachers ask students to (7) pages from books, or tell them to write ten pages, but don't explain (8) to do it. Learning by heart can be useful, but it is important to have a genuine (9) of a subject. You can (10) a lot of time memorizing books, without understanding anything about the subject!

BIN YOUR RUBBISH

When was the (0)*last*.... time you walked down a litter-free street? Although millions of pounds (1) year are spent (2) clearing rubbish, this alone cannot solve the problem. The solution lies (3) our hands.

Dropping litter is, in (4), against the law in Britain. You can be fined up (5) £1,000. Not (6) is litter ugly, but it can also be dangerous. Litter encourages vermin (7) as rats. Why is there so (8) litter? Most consumer products are over-packaged; a single item (9) be wrapped in plastic, be put in a box, wrapped in cellophane and then put in a plastic carrier bag.

What can we do about this growing problem? If every citizen (10) his or her job, together we can clean up the streets. Try recycling paper and plastic bottles. Never drop litter; (11) the smallest piece of paper contributes (12) the problem. Avoid buying over-packaged items from supermarkets, and take your (13) carrier bags. You could also organise day-trips to the local countryside and beaches in (14) to pick up rubbish. If everyone makes (15) responsible for maintaining high standards of cleanliness in their area, the problem, may be solved.
