

Listen and match the numbers (dinle ve sayıları eşleştir)

A matching exercise featuring ten cartoon numbers and ten ten-frame boxes. Each box is divided into two equal squares, with a red circle in the right square. The numbers are arranged in the center, and the boxes are placed around them for matching.

Cartoon numbers shown: 8 (purple), 9 (orange), 5 (purple), 4 (green), 1 (blue), 2 (yellow), 7 (teal), 10 (blue), 3 (red), 6 (pink).

Matching boxes (ten frames) are provided for each number. Each box consists of two squares, with a red circle in the right square.
