Vocabulary Review

1. Read and listen to the name of each farm animal. Draw a line from each name to the animal's picture, and then draw a line from the animal's picture to the items the animal gives us.

2. Look at the weather icons. What should you wear for each type of weather? Select the two best clothing pictures for each type of weather.

3. Drag the parts of a plant pictures to create a rose plant. Click on the names to hear them. Then, listen to the plant song.
