story

Hello my name is \_\_\_\_\_ Fleming. I'm a \_\_\_\_\_ and just under a hundred years ago I discovered penicillin, quite by \_\_\_\_\_. This is the \_\_\_\_\_ of what happened. If you go to the doctor when you're feeling \_\_\_\_\_, he or she might give you \_\_\_\_\_ to kill the infection. Well it was me, Alexander Fleming, who discovered the most \_\_\_\_\_ antibiotic of the lot: penicillin. And \_\_\_\_\_ it saves the lives of \_\_\_\_\_ of people all around the \_\_\_\_\_.
