Use the Codon Chart below to figure out the coded message and then create another coded message.

		2nd base				
		U	**C**	**A**	**G**	
1st base	**U**	alleles alleles is is	are are are are	in in STOP STOP	you you STOP dominant	U C A G
	C	is is is is	genetics genetics genetics genetics	make make cool cool	silly silly silly silly	U C A G
	A	always always always science	fun fun fun fun	want want dna dna	shows shows pairs pairs	U C A G
	G	up up up up	test test test test	I I to to	genes genes genes genes	U C A G

3rd base

1. AUG CUU CAA UAG

2. Write your own message in code.
