Get ready for a day to remember! The journey from the ski resort of St Moritz to the attractive town of Zermatt in Switzerland is only 290 km, but on the way it passes by some of the most beautiful places in Europe.

During its journey, the train goes through 91 tunnels and almost 300 bridges. When you look out the train window, you can see some of Switzerland's most fantastic mountains like the famous Jungfrau. And when your train comes into the station at Zermatt, if you look out, you will see the Matterhorn – Switzerland's tallest mountain.

You will love the experience of this unique journey. You can do it all the year from January to December, but the station is closed at Christmas and New Year's Day. You can see snow in the mountains in winter or enjoy the beautiful summer weather. In each opportunity you can see spectacular places. Take your camera!
