DISNEY PRINCESSES

1	Rapunzel is an energetic and determined young woman. Throughout his young life, he has dreamed of escaping his tower to experience the outside world.

LIVEWORKSHEETS

2	Snow White is a cowardly born princess who is forced into servitude by her evil stepmother, Princess Grimhilde. He escapes from his evil stepmother and in the forest he finds a house in which seven dwarfs lived.
3	Cinderella is initially a servant in her home and is constantly teased by her evil stepmother Lady Tremaine and her two stepsisters. Although she is mistreated and humiliated, she maintains hope through her dreams. She is faithful to the idea that one day her wishes for happiness will come true.
4	Ariel is a very beautiful mermaid with a charming voice, capable of captivating anyone. He lives at the bottom of the sea, where he has many friends. He loves exploring ships and keeps all his treasures in a cave hidden from the harsh gaze of his father.
5	Mulan is a beautiful, brave, self-sufficient young woman, and is not focused on marriage. It also does not meet the expectations of a Chinese girl of the time: elegant, discreet, and quiet. Instead, she's clumsy, outspoken, and independent.
6	Moana is adventurous, headstrong, practically fearless, and physically capable. Although she has moments of doubt, she takes great pride in who she is, and is generally too stubborn to shy away from new challenges.
