

FEEL by Robbie Williams

Come and hold my
I want to contact the living.
Not sure I understand
This I've been given.
Not sure I understand.

I sit and talk to God
And he just laughs at my
My head speaks a language
I don't understand.

I just want to feel real
Feel the home that I live in.
'Cos I got too much
Running through my veins.
Going to waste.

I don't want to die,
But I ain't keen on living either.
Before I fall in
I'm preparing to leave her.

I scare myself to death.
That's why I keep on running.
..... I've arrived
I can see myself coming.

I just want to feel real
Feel the home that I live in.
'Cos I got too much
Running through my veins.
Going to waste.
And I need to feel real
And a ever after.
I cannot give it up.

I just want to feel real
Feel the home that I live in.
I got too much
Running through my veins.
To go to waste.

I just want to feel real
In a ever after.
There's a hole in my soul.
You can see it in my face,
It's a real big place.

Come and hold my
I want to contact the living.
Not sure I understand
This I've been given.
Not sure I understand.
