Read the following story.
For questions 11 to 15, say whether the statements are True or False.
On your Answer Sheet, mark T if the statement is True and F if the statement is False.

Jimmy and his father love going camping. Jimmy's mother doesn't like camping at all.

Last weekend, Jimmy asked his father if they could go camping and his father agreed. He was so happy!

On Saturday morning, they put everything they needed in the car and left. The place they camped at was beautiful. There was a large forest and a small river nearby. Jimmy's dad went to look for wood to make a fire and Jimmy put up the tent.

Suddenly, he saw a big bear coming towards him! He didn't know what to do. He wanted to shout for help, but he was too scared. The bear looked at him, looked at his tent, and then turned around and walked away. When his dad came back, Jimmy told him about the bear.

"You did the right thing, Jimmy," his dad said. "You must never shout when you see a bear. This can make the bear angry. You were very quiet and that's why the bear left." Jimmy still loves camping, but now when his dad goes to get firewood, he always goes with him.

Dear Sam,

Hi! I had a very nice birthday party. I'm sorry you didn't come. Let me tell you about it.

My mother made great food: pizza, sandwiches and salad. The kids ate everything! She also made a large, square cake with many candles on it. It was delicious.

After we ate, we went to the backyard, where there's a swimming pool. We had a lot of fun playing in it. There are a lot of trees in my backyard so we climbed them. Then we went into my house and played some board games.

Everyone had fun, but there was a big mess in the house after the party. I washed the dishes and my mother cleaned the floor. It was the best birthday party ever!

Love,

Lisa
