

## A nice weekend

### 1. Put the verbs in brackets into Past Simple.

Hello, my name's Ann. Me and Kate had nice weekends! On Friday evening, we were at the playground. We played with a ball. On Saturday, Kate helped her mother in the kitchen. We cleaned the floor and washed the dishes. Then I played computer games. On Saturday evening, Kate went to the zoo with her parents. She watched lions and monkeys there. I was at the cinema on Saturday. I watched an interesting cartoon. In the evening, I walked my dog in the park. On Sunday, Kate and I were on the beach. We swam in the ocean. We had a lovely time! In the evening, we came home and did our homework. I went to bed early because I have to go to school on Monday.
