

Lesson 09

Directions: After you have written your paragraph by hand and asked a classmate to **Peer Review** your work, please re-write the final draft of your paragraph here on this worksheet. Make sure you have corrected all your errors. You should also make sure you have followed the forms we have been studying.

Reflection Questions:

- What was one helpful suggestion you received from your classmate?

- What was one suggestion you received through peer review that you **did not** use?
