Text to answer the questions number 1 - 6

My school

My name is Kayla. I am fifth grade of Kusuma Bangsa elementary school. My school is quite big. There are twelve classroom, two canteens, a library, a teacher's, a headmaster's office, a school yard, a library, a bicycle park, a computer laboratory, and four toilets. My classroom is beside the library. I like reading books there and sometimes I borrow some books and read them at home.
