If he didn't obey his parent's advice, he wouldn't got into the trouble

## V. READING:

**Choose the word or phrase among A, B, C or D that best fits the blank space in the following passage:**

The year at an American college is divided into 2 semesters. A semester (36) \_\_\_\_ of 15 weeks. American students usually go to college from September to May. They can also study (37) \_\_\_\_ the summer.

Students choose their classes a few weeks before the start of each term. Universities offer a great many (38) \_\_\_\_ in the students' main area of study and in other areas as well. Students must take both. Theses include science, math. Computer, history and English. Other classes may be just for fun, like dance, theatre or sports. (39) \_\_\_\_ are usually given in the middle of the term and at the end. The final exam is extremely important. In some classes, the professor asks the students to write a research paper or complete a certain task instead of taking a test.

Classes at an American college are usually organized through lectures. For example, a student may attend 2 or 3 lectures a week by the professor. As (40) \_\_\_\_ as several hundred students sit at each lecture.
