Unfortunately going to the store \_\_\_\_\_ instead of \_\_\_\_\_ took much longer than he expected because Colin was not used to exercise. He turned around and saw an old lady with a walking stick looking up at him. She looked very angry but didn't say anything. Did she poke him with her walking stick \_\_\_\_\_ because he cut the line (went to the front of the line)? Or did she do it \_\_\_\_\_ because it was so crowded. Hmm. Who knows! He was in pain, but he did make it \_\_\_\_\_ to the store and his wife loved the necklace he gave her that evening.
