HOMEWORK #4

IF I WON THE LOTTERY

Viernes 10 diciembre 2021

A. Read the text and choose the right option according to the previous text.

I can imagine what my life would be like if I won the lottery. Wow! I could do so many things, and my life would be so different. I would love the chance to change my life with the money. The first thing I would do is to buy a new big house. I live in a small apartment, and I have always dreamed of living in a big house in the country. With all that money, I could buy anything I wanted. I don't have a car right now, so I would buy a new car. Or, I might even buy a new motorcycle. I like motorcycles, and I can imagine myself driving down the highway with the wind in my hair.

Of course, I if I won the lottery, I would probably give my money to charity in order to help sick children. Also, if any of my friends needed anything, I would pay instead of them. I know many people that have student loans, and I could help them pay the loans back. That would make them very happy. Plus, if I won a lot of money, I would certainly save some of it in the bank.

Also, I think that if I won a huge amount of money, I would open a business. I love to cook, and I have always wanted to open a restaurant. With all that money I could open a fancy restaurant.

However, I know one thing I would not do is to travel. I have a friend who won $100, 000 in the lottery three years ago. She took the money and travelled for three months. I think she is crazy. Travelling is nice, but then she had nothing left after her vacation.

I think, however, that the only problem with dreaming about the money I could win is that I have never even played the lottery before. As they say: "You can't win if you don't play."
