

A) Read the story: "The Clever Rabbit".

One night, when the moon is very bright, Rabbit is resting near a lake. He is very tired and wants to go to sleep, but he is scared the Tiger is going to eat him up. Rabbit looks up at the sky and starts to count the stars. Soon Rabbit falls fast asleep. Suddenly, a loud voice wakes him up. It is Tiger!!!

The Tiger says, 'Aha! Now I've got you, little Rabbit! You'll be perfect in my soup!'

Rabbit is very frightened, but he has an idea. He looks in the water and sees the reflection of the moon. It looks like a big piece of cheese. He moves his mouth, pretending to eat, and says, 'Mmm yum yum yum yum. Ah, Tiger. I'm happy to see you. Yum yum yum. Come and share this delicious white cheese with me. Yum yum yum. I'm keeping it fresh for you in the water.'

Tiger loves white cheese. He licks his lips and says, 'Mmm yum. I can see the cheese, but how do you get it out of the water?'

Rabbit answers, 'Easy. I tie this stone around my foot and jump in. Do you want to try?'

Tiger ties the stone around his foot and jumps into the lake. Splash!

Rabbit runs away, saying, 'Ha ha! Now you're the one in the soup!'
