

Living things in the different kingdoms carry out the three life processes:

- 1) \_\_\_\_\_
- 2) \_\_\_\_\_
- 3) \_\_\_\_\_

Animals can \_\_\_\_\_ and they eat \_\_\_\_\_

Plants can't \_\_\_\_\_ and they make \_\_\_\_\_

Fungi can't \_\_\_\_\_ and they don't \_\_\_\_\_.

They eat the remains of \_\_\_\_\_ or grow and feed on things that are still living.
