1. This (1)..... is great. They have a great (2)..... – rock, rap, jazz ... old, new, international --- and it's not as (3)..... as other sites. I've downloaded hundreds of (4)..... !
2. This is my favorite website because it helps me (5)..... in touch with my friends and family. Also I've (6)..... lots of new friends. The only problem is that I spend too much (7)..... on it when I should be (8)..... !
3. This site is so much (9)..... ! I'm always finding really funny (10)..... I haven't posted any of my own (11)..... yet, though. I'll probably start doing that soon.
4. This is a great website for planning (12)..... It has lots of terrific (13)..... about interesting places to visit, hotels, and how to get good (14).....
5. I hardly ever go to the (15)..... Why should I? I can (16)..... almost everything I need at this website. They have a big (17)....., they deliver quickly, and their (18)..... are the best on the Internet. Somethings they offer free (19)....., too.
6. I like to know what's happening in the world, so I (20)..... this site every day while I'm eating (21)..... I also really like the celebrity gossip (22).....! I just found out today that Jeb Hawkes and Alison Romano broke up last week while they were starring in a (23)..... together.
