

Когда строим вопрос к лицу (Кто?), нужно закрыть лицо и на его место поставить WHO. При этом нужно помнить, что WHO = HE/SHE/IT:

I work hard.

Jane works hard.

WHO WORKS HARD? – Кто тяжело работает? (это вопрос к обоим предложениям)

Когда строим вопрос к дополнению (Кому? Кого? Кем? Для кого? С кем? и т.д.), нужно строить по всем правилам построения специальных вопросов:

We are making reports with Helen at the moment.						
1) Вопросительное слово	2) Вспомогательный глагол	3) Лицо	4) Смысловой глагол	5) Все остальные члены предложения	6) Предлог	7) Маркер времени или места
Who	are	we	making	reports	with	at the moment?

Ask questions about the words in bold.
