

## The Snowman Song

hot	cold	snowman
dance	sad	melt
hooray		comes out
goes down		When

I'm a happy \_\_\_\_\_, white and fat.

Here are my buttons, here is my hat.

When the sun \_\_\_\_\_ you'll hear me say: Whew, it's hot as a melt away.

Whew, it is hot!

Hey! It's getting \_\_\_\_\_ again.

I'm a happy snowman, white and fat.

Here are my buttons, here is my hat.

\_\_\_\_\_ the sun comes out you'll hear me say:

Whew, it's hot as a melt away.

Whew, it's getting really \_\_\_\_\_ now.

Oh no! I'm a \_\_\_\_\_ snowman, wet and flat.

Where are my buttons? Where is my hat?

When the sun \_\_\_\_\_ you'll hear me say:

Hey, it's getting cold again!

Yeah! Hey it's cold again hooray!

Hey, it's cold again \_\_\_\_\_! Let's move!

Walk, walk, walk, like a snowman.

Dance, \_\_\_\_\_, dance like a snowman.

Jump, jump, jump like a snowman.

Turn, turn, turn like a snowman.

Oh it's getting hot again!

Melt, melt, \_\_\_\_\_ like a snowman.
