(10 points)

Writing

8 Complete the description of a typical journey to work with the comparative or superlative form of the adjectives.

I live in a small village but I work in the city centre about 10 kilometres away. I go to work by train because it's the [1] _____ (fast) form of transport. It's much [2] _____ (good) than going by car. There are often traffic jams in the city centre, so the journey by car is much [3] _____ (slow). Car parking in town is also very poor – a day's car parking is [4] _____ (expensive) than a train ticket! The bus is cheaper than the train, but it is not as comfortable or as fast. The train only takes 10 minutes and my office is five minutes walk from the station. Unfortunately, the train is also the [5] _____ (popular) form of transport so there are always a lot of people on the trains!
