COMPARING

We can use comparative adjectives to compare different things.

For **adjectives with one syllable**> + **er** Example: Ron is **taller than** Harry
tall (**one syllable**)

For **adjectives with more than one syllable**> + **more ...** (adjective) **than**
in-ter-est-ing (**four syllables**) Example: Arts is **more interesting than** Maths

Look and complete:

The chocolate cake is **bigger than** (big) the other cake
